Here are the weekends around that time. One falls over Halloween. I know some of you have kids and may want to be home for that. Also I fished on Halloween 2 years ago in the middle of the week and it was PACKED. Anyways, we'll see what works best for most people. If we get a split vote I'll go up more than once!!! 🏆

All dates are Friday, Saturday, Sunday. Vote for a number.

#1 - October 23rd, 24th, 25th

#2 - October 30th, 31st, November 1st

#3 - November 6th, 7th, 8th
