I would agree Jack. The middle date is winning by 2 votes right now. It's close, but might be best off to plan it that day and then have the next week as a fallout (or a Wednesday). You can keep the voting up for a bit longer, but looks like the best way to plan ahead to me.

That sounds like a good plan. Posting a definite date A.S.A.P. would be a wise decision, as rooms are filling up FAST. 🤪
