Unfortunately, when a TU chapter's attention becomes focused on supporting a co-op hatchery, it tends to lose sight of the real mission of TU..."preserving and protecting wild trout." In this case the chapter lost its hatchery and therefore its reason for being; or so it thought. There are several really good wild trout streams in the area, Six Mile Run, Black Bear, Coldstream (above the Reservoir) to mention a few, that need attention and protection. Anything you can do to help would be appreciated. If you need help from PA State Council, just drop me a line - Ken Undercoffer at kcoffer@atlanticbb.net
