It is on my calendar and would atke an unforeseen obligation to keep me away. That said, it would be good to know the plan for gatherings before and in order to make proper reservations for lodging. I would like to fish two days, likely Saturday and Sunday, but would be able and willing to take Friday or Monday off to make a longer trip out of it. Rainfall and flows could determine the final plans. Count on me to be looking to meet folks on Saturday for breakfast, lunch and evening.
