Ok, sign up period is over...so start tying!!! We ended up with 14 total...so everyone needs to tie 13 flies (plus any extra if you would like DKile or the mods to rec've them as well). This should help fill everyones steelhead box very nicely!!!

I will email everyone after my daughters physical therapy today.

I think I have all emails, but if you haven't sent it to me please do so at your earliest convenience.
