FD, you said that you didn't think anyone was advocating removal of C&R regs. I was quoting Trubski. That's what he said in his original post, which as far as I'm concerned means he is advocating removal of C&R regs. Sorry for the confusion, I should have been clearer about what I was saying.

Wulff -

You're right, I did write that, and I should have been clearer. I am definitely not advocating changing the regulations on the LittleJ. I don't like them, and I think we lose something with them, but on the other hand I have no good alternative to suggest. I'll just go fish somewhere else - that isn't so crowded :)
