Been trying more of the salt the past 3 years but still have only gotten out a handful of times. This spring got out on a guided trip of the barneget bay sodbanks. [Tons of fun](#).

Haven't had a ton of luck on the IBSP jettys yet, but do have to say i like the north side jetty better. But the walk up to the jetty can be a bit of a trudge with all the gear and korkers. PLEASE if you're going to fish jettys get some studded grips for your boots.

I've stayed at the IBSP Motor lodge. It's a good place with a swanky hotel restraunt/bar. I bit more expensive than i'd like. Just don't get out enough with my 3 year old and 5 month old daughters. Maybe in about 4 years i can put some actual time in. It's some of the most fun i've had with a fly rod as well as live lining huge bunker.
