....I caught 3 of them in the Yough, as for my buddy too, so maybe the fish comission is putting more of them in that area for some reason.

Keep in mind that there are several organizations and clubs that also stock fish in the Yough. I have found tigers in Dunbar in the last two years, so I know that PFBC does stock some, but private clubs also may be responsible on the Yough and also on Beavercreek, a trib. to Meadow.
