Years ago we took our Son camping there, great place for the kids. I never fish the creek, I have walked it, never seen much although it was always late in the summer and the water was low.

When I went up there I couldn't wait to go to Fishing creek, I'd go fishin and the wife and kid went to the park. I always wanted to get back to fishing creek but never have. I had some good days on fishing creek!

I have heard good things about roaring spring from a buddy that fish it, it wasn't in the park area!
