Allegheny National Forest is a good place to start. You have to figure that if you are back packing that you are really not covering that much ground in a days hike.

There are plenty of places in the ANF that you can accomplish your goal.

The North Country Trail is another option http://www.trails.com/tcatalog_trail.asp?trailid=HGN196-030

There is a Hiking Guide to the ANF written by Tom Dwyer that is very helpful as well.
