Family Tyes, a youth fly fishing club based out of Baldwin High School will be conducting a steelhead fly fishing and fly tying class beginning on Monday, September 18. Classes will be held at Baldwin High School on Monday nights and will begin at 7:30 . Over a 7 week time span, important aspects of steelhead fly fishing such as casting, knot tying, rigging, techniques, equipment, and planning trips will all be discussed. We will also be teaching 12 essential steelhead fly patterns that can be used anywhere in the Great Lakes to catch steelhead. For more information on Family Tyes and the upcoming class, please go to <http://www.familytyes.com> for more information (Most information regarding classes can be found under "club program"). If you have any questions about the class or club, please contact Mike Engelhardt at eng0070@cup.edu. We hope to see you soon.
