Dilution is the solution to pollution...

Its "Dilution is the Solution to Water Pollution"

And I always liked....

"you are either part of the Solution or part of the Precipitate" Thats more of a science geek thingy but science =conservation.

How about "we all live downstream"

I think Buggy is looking for more on the lines of Aldo Leopold quotes and Leef Wulff "a game fish is too valuable to be caught only once" or whoever the hell it was that said that....
