The recent thread on muskies generated a lot of interest in FFing for these big fellas and hopes for a possible muskie jam this year.

Here's a good beginner's article on the topic. Robert Tomes is perhaps the guru of FFing muskies and has a new book out on the topic.

I haven't checked the schedule yet for this year but Mr Tomes is usually at the Somerset show so if you're gonna be there you can pick his brains.
