i came across this book while on ebay.

Mid-Atlantic Budget Angler by Ann McIntosh.

is it worth a look? for now im buying up small stream books but i was wondering if this had any info on other streams not in mecks, landis or wolfs books. any info appreciated!

i still feel to date that landis's book is A+! 🏆

also i have found these books on small streams, which do u think is the best?

Flyfishing tactics on small streams-Lou Stevens

The small stream Dry Fly: A New and radical approach- Lou Stevens

Fly-Fishing small streams- John Gierach

Flyfishing small streams with a flyrod-Charles Meck

Small Stream Fly fishing-Jeff Morgan

The Challenge of Fishing small streams-Tony Orman and Jim Ayers

Rough River and small stream fishing. Modern Angling Series- David Carl Forbes

Trout from small streams - Dave Hughes

any thoughts?
