Maxima - I assume by "header" of the lake that you're talking about the upper end where the creek comes in. I've fished it many times - we used to refer to it as the channel. The fishing down there can be insane at times.

Talking about the old days up there again - I used to really enjoy going into the cross fork orvis shop, and BSing with Stoney. He always had a lot of great stories to tell.

And chowing down on a "bubba burger" at Deb's place, along with some cold drafts. Also a great place to watch the penguin playoff games
