Oddly enough, I just happen to know where you can get a really good deal on a Teeny 10' 5wt 5pc rod, with a custom case (divided liner) for a great price.

One man's switch rod is another man's little brush rod... 😊

I'd thought about asking, but never did. I figured I'd wait til after Somerset and what might show up.

Evidently, a used Teeny will be showing up.

Bring 'er along, we can play let's make a deal. :)
