You got that right Pete! 🍷

I remember back in my younger days sitting at a tavern in Pensacola (or maybe Fort Walton Beach - can't remember - near Eglin AFB) after a day of fishing and a big fella parks it next to me and barks at the waiter, "ditch bugs!" Having eaten craws before, you would have thought I'd have known what he was talking about. Yeah, yuh gotta love the Redneck Riviera.

Most of our local grocery stores sell 'em here in PA but I don't think I've ever seen anyone buy any. Guess some traditions, however tasty, might as well stay in the South.
