I would have taken advantage of this. Easier to wade through here than trying to scrub the whole board for answers.

Who will be the first?

There are not 2 better board members to have moderate this section that Afishinado and Fishidiot. I consider them both to be about the most knowledgeable and most importantly the HELPFUL of all registered members.

Just remember- if you have a question- so do 10 other people.

My take on being new to fly fishing. If you are going it alone it will take you five years to accomplish in what you could do in one season working with an experienced fly angler.

Good luck and thanks to those 2 guys.
