I'm not debating. I assume it does. Hence my using it as an assumption for my earlier claims. I won't accept it as fact until it is seen as just that... simply a very strong possibility. For what it's worth, I feel the possibility is strong enough to merit significant action.

Very similar to my views on God, polar bears, China, and many other things that I've not seen with my own eyes. 😊

Ok, some of those were a bit too far.. haha.

With me comes the mind of a very mild skeptic. That's just how I am. It's all part of the Jay package deal.
