Kayak here. Use it on rivers, it is not the best. Anchoring a Kayak in moving water is not the safest. I wear a PFD. It is comfy, fun, but for moving waters, a pontoon craft is the correct vehicle. Lakes, ponds, canoes and kayaks are great. Tell us more about what you want to do. I have a native ultimate, 14. Good for 2 people, so a large framed person should not be a problem.
