No Jay, from what was stated was not a bad post. I loved your post and would not be upset at all if someone would say the book sucked. I have heard from many some have said the same, " how did you narrow it down". I say the first chapter was the worst. Believe me- had my wife read it and she use a broad red pen!! I just like what all you and others say about my book. I'm still suprised and will always be suprised on all the responce.

Like I say to everyone, "I'm just Mike from Fayetteville". Always will be that way.

Mike
