Where to spend a long weekend?

I am planning on taking an extended weekend with the guys at the end of April to kick back and fish. I am fairly new (a little over a year exp.) at fly fishing, and want to stay within an hour or so from State College. Spring Creek is my normal stream to fish.

Some guys have given me ideas of Kettle Creek, Pine Creek, Spruce Creek. Any information on these streams? hatches at that time? lodging?

Thanks!
