I'd love to go after some of the carp that are in the creek that runs through HersheyPark! 🏰

Thoughts like that have kept me awake many nights 😊 When I was a kid, there weren't any fences around the area that is now Zoo America. Too bad I wasn't into fly fishing then 😞

I have seen some as large or larger from time to time. Last summer I had a monster swim under my kayak while I was floating quietly through some very shallow water. When I saw him, I just held my breath and waited for him to pass, but he must have hit the bottom of my 'yak with his fin and SPLOOSH! Off he went.
