David and gfen covered the subject very well. Here is some info and the “big three” insects (Mayflies, Caddisflies, and Stoneflies) to get you started:

<http://www.jerryhadden.com/insects/mayflycyc.html>

<http://www.jerryhadden.com/insects/caddisflycyc.html>

<http://www.jerryhadden.com/insects/stoneflycyc.html>

Good luck.
