NotLong4PA - generally it's not good form to post a reply to someone's for sale post with a place to buy the item they are selling for less. some see it a a little rude to say the least.

with that said, if anyone is interested, i'll lower the price to \$15 (tax free) despite the fact that i didn't but mine for \$18 at walmart. i'm probably never going to use it again so i'd like it to go to someone who will.
