Wow. What a difference a few tips does to a guy. Went out with a little more knowledge again today and conditions were very similiar to yesterday. I threw a BH Prince nymph and caught a nice rainbow right away. I'm really starting to enjoy this fly fishing thing, ha. I was also lucky enough to get a couple casting tips from a vet. fly fisher I stumbled upon with over 40 years of FF and teaching lessons under his belt. I am very thankful for his help and learned alot. Hopefully many years down the road I will be able to pass along my knowledge the way he and all of you have.

If only the rest of the world was as good natured as Fly Fisherman!
