I've got too many flies. Take your fill on Sunday. I'm at the bench tomorrow. Anything in particular that you need?

Anything you recommend that is smaller than a size 16 will do. 🍷 Seriously, though I might be good. I won't know 'til we see what is hatching, although you know me and streamers, I might just spend the afternoon swingin' to the ones that are too fat and lazy to rise. 🍷 ...And to the world not exploding 🍷 😊
