It's OK, we still have the secret "wild mountain cougar" when the fish start to recognize all the other patterns. I'll share the recipe for those that haven't seen me tie for a small plate of lasagna.....After the sun explodes!  Seriously, though, some people take themselves too seriously.....that and the sun not exploding.  

Boyer

Didn't I see a video on Youtube about that pattern? Or am I thinking of something else?
