Why must people criticize others to feel better about themselves?

If someone makes an accusation of me starting a thread about a fly I created, then jumping in on it to get "publicity", be able to back it up with some facts. That is what I did, and still you find fault. quote "brilliant" end quote.

Remember, this is all about me not sharing a fly pattern. Pathetic, isn't it.

Jump off the bandwagon, not on it.
