I love larva lace for a lot of things. The hard part is trying to actually find the stuff that is round and hollow.

Here you go Tomgamber.

Stalcup's Tubing: Hollow narrow tubes you can use for bodies. Sizes: Midge or Standard: Colors: Black, Blood Red, Clear, Olive, Orange, Peacock, Yellow, Pheas-Tail, Tan. \$1.75

You can but it here--http://www.eflytyer.com/order_info/oi_synthetics.html

Hope this helps.
