Hey, Albatros!

No, actually.....straining many muscles and almost putting a permanent tip-twist, in a favorite bamboo, I fought that mighty Sea Run 'Cutt to the bank one day on the Kilchis!!

I'm not too sure, what rules of angling apply on this particular fish, because it's the first time in all my years on the water that I've had a "perfect" C & R.....the fish wasn't hooked, as it appears in the avatar, it was entangled in the hackle fibers of a #16 Bi-visible.

My fishing partner, Henry Hoffman, insisted on the photo op. I'm sure out of sheer jealousy and envy.....
