I was pounding the bank. You were throwing your three mile casts out into the middle of the lake, Mr. Switch Rod. 😊

Besides, I yielded the swan to you! 😊

Dave,

It was a shallow, murky, and moderately weedy lake. Do they traditionally have "territory" in lakes?

Does anyone have any info on movement of musky in lakes? I'm curious whether I can expect them to stay on that shallow flat throughout the year.

Your right Jay but I told you to pound that bank area 😊 I feel the need now to go back and redem myself now
