In a great feat of diplomacy, I have punched my ticket to the Jamboree.

Scenario A: I'll be there through Monday morning

Scenario B: I'll be there through Tuesday.

This doesn't say good things for the drakes, but the jam is a better time anyway.

If you get your cards right... we might see the Drakes at the JAM.... now the question will be... do you fish the Coffin's at night, or do you toss your monster streamers?

Look forward to fishin with ya again.

BTW... I'm married and very happy in life!
