7wt loomis GL3 9' orvis battenkill LA V

above is my line-up, been through a lot of rods to get to this point (had 30 rods at one point), and I think I'm done more or less....except I still NEED an 8 & 9 wt rods and reels and lines and another 2 wt and 6 & 7 wt, and another 4 & 5wt, and still kind-of considering an 0 wt....
