Gary,

Check out sierratradingpost.com from time to time. They have great deals on the fishing shirts. Thier selection right now isn't the best but it changes often. About 2 months ago I picked up (4) Simms long sleeved shirts. All were under \$25 for the XL Talls. I'm a big fan of Simms gear but don't usually buy it due to the cost but for under \$25 I couldn't pass them up. Dick's Sporting Goods sometimes has great deals as well.
