I had to go back and read the definition of conspiracy to see if that what I did.

con-spir-a-cy audio (kn-spîr-s) KEY

NOUN:

pl. con-spir-a-cies

1. An agreement to perform together an illegal, wrongful, or subversive act.
2. A group of conspirators.
3. Law An agreement between two or more persons to commit a crime or accomplish a legal purpose through illegal action.
4. A joining or acting together, as if by sinister design: a conspiracy of wind and tide that devastated coastal areas.

1. does not fit because "they" are not doing anything wrong.
- 2 a conspirator is a person that takes part in a conspiracy. so not this either.
3. also does not fit.
4. Nothing sinister "they" are doing.

No I dont think at all lam saying that the energy companies are doing anything illegal or wrongful act. You are correct that we ask and demand the energy we that we receive. But I stand on the position that people working average jobs can not afford to set up things like solar panels or windmills at their home.
