Damnit, give me hints. I'm done. I can't do it. I get constant takes on dries, but I seem to have lost the ability to set a hook.

Seven takes, no sets. It ain't all bad timing, either.

I'm about ready to pick up golf.

Without seeing what's going on, it'd just be a guess.

Saturday, Sunday, or Monday - lunch at Cali Burrito, fix the hookset afterwards.

Deal?
