Damnit, give me hints. I'm done. I can't do it. I get constant takes on dries, but I seem to have lost the ability to set a hook.

Seven takes, no sets. It ain't all bad timing, either.

I'm about ready to pick up golf.

now, ya can't hit a golf ball with a fly rod.....

I've been having the same issue...but haven't had a chance to practice enough...but if you figure it out, lemme know
