Without seeing what's going on, it'd just be a guess.

Saturday, Sunday, or Monday - lunch at Cali Burrito, fix the hookset afterwards.

Deal?

LL's trying to set something for Friday night. I'm already up to meet him over in your Principality.

I'm not sure of the status of my weekend, depends on what the wife wants to do. Let me get a feel for where she's going this weekend, and we'll see if we can correllate.

Its amazing how badly I'm coming undone at this. I'm picking up plenty of takes, and I don't think its fish just bumping hte fly, but no matter how quickly or slowly I react, nothing.
