I'll fish with newbies or a 50 yr vet of the sport. I don't care if you spent \$30 or \$4000 or your rig... let's fish. That's a reading from the book of a guy that loves fly fishing...amen.

You'll fish with anyone who spent any amount of money...as long as it isn't boo?

Better reconsider your argument, because you are looking hypocritical at this point. You are the one who started the insults when someone was looking for advice.
