Jersey George is in. I have been staying at the Capra recently. There are two convenience stores within walking distance for late night beer runs. While I prefer the circle E for breakfast, McDonalds is right across from the Capra. For many years I have stayed at Smiths Colonial. Good people, and a nice view of the river up towards Bard Parker.

And in the evening, it is pretty much Blue Stone Cafe and of course the world famous Lydia's!

I will be floating.
