Never pass up a chance to FF the salt. It's quite a different game than trout fishing and will broaden your fishing horizons to give it a try and allow you to look at water in entirely different ways. Many folks fish the surf and jetties during summertime obviously because that's when most folks visit the beach. However, the prime season is May/early June and late Sept-early Dec. Fishing in the fall really is when surf fishing breaks out however, even then, it's hit or miss from terra firma.
