ok,let me just toss out one.i get LOTS of deals as many of you know.

one of my favorite rods is a glass 8ft. daiwa 4 weight.i got it for a dollar ninety nine.

ok,one more.i buy level line often because it roll casts so well.i get lots of new level line for three or four dollars when i see it at towne auction in connecticut.

i also am a savvy ebayer and get some deals that i should feel guilty for!
