Hello all! I just found this site and i am stoked! I just got into fly fishing this past week and fell in love!!!! i have always been a huge fishing fan but i have never fly fished before. I live in the hampton area and have tried fishing pine creek. I am sure i have no clue what i am doing. I am casting great and have yet to loose a fly. but i have not caught a thing, not even a chub :( i hate to say this but i need help. I love the whole concept but i really need help. Anyone who knows what they are doing willing to meet up for a few hours and show me the ropes? I can pay with a few cold ones but that is about it. Anyone out there feel like helping me out????
