I play in the surf like at least three days a month all season from the end of march till the second week of Dec.

Now the rods I use are 8 wts fast actions , 10wts.

350 tips are good also keep an interm. line on hand.

Clausers are the game now till Sept. then things will change up some. There will be Sand Eals and more Rain fish about.

heck even the pan fish are fun in the Surf.
