I have a copy of the specific regs for the Hook, when I was down there I was checked by an NJ WCO. Spermaceti Cove and the USCG base are closed full year, according to what he told me, but everything else is open.

The fishing beach is free to park, but parking is limited before they "close" it. Afterwards, there's a nominal fee to park at a bathing beach lot, but the guys I went with and I are of the belief most people just lie about parking there and go to the bathing lots.
