gfen - let me clarify (and hopefully Jayl fits this category)

If you are putting patchouli ON to impress crunchy hippie girls, you are doing it wrong.

I went to college in Ithaca NY - crunchy neo-hippie chick central. I must admit, in my younger years, I have had the patchouli stink on me....BUT ONLY BECAUSE I ROLLED AROUND WITH CHICKS WHO WORE IT.

****THAT**** my friend, is the **ONLY** acceptable way for a man to smell like patchouli....
