I picked the earlier dates , but I could really give a crap. Just as long there is fish in the tribs I will go. Never fished steelies before with the fly pole so it should be interesting. 9ft 6wt is not good enough? Do I need to start begging people to let me borrow a larger rod and reel set up? HA you do relize I am going to be your little puppy dog right? lol This should be a blast can not wait till the time gets closer.
