Here's mine:

Hook: 3906B start with 12, but go down to 16 if I need too (which isn't often)

Tail: Sparse short black calftail

Abdomen: Black wool yarn

Wing Case: Gray Antron

Thorax: Black wool yarn - same as abdomen only a touch thicker

Hackle: One turn of black hen.

Tie it slim. Occasionally I add a black bead for weight.

Many winters this is the only fly I use.
