Nah,not really until the end of each January. I grew up in Pittsburgh till 14 then moved to FLA. I got put on a waiting list at FSU and UF after Riverview HS, I got accepted at ST. Vincent in Latrobe (pronounced Laytrobe by the way) PA and ended up graduating from there '92. I did attend UF in the fall of 1989. Attended some good Grateful Dead shows while there and got see Emmett Smith play against FSU and the girls. Dont forget the girls. There were 7 girls from UF in Playboy the year I was there. Did I mention the girls!!! Good reason while I only lasted a semester there. My parents have a place down there still and I have two brothers in Florida so I get back a couple times a year.

Alot of wackos in Florida. I always think that if someone gets into trouble in their life or with the law they all run to Florida. Not to mention as you know that it is expensive and the wages are low. But you can not beat the weather from December to April.
